DEAR APPLICANT

YOU ARE APPLYING FOR THE THREE-YEAR PROGRAM OF KAOSPILOTS SWITZERLAND! THANK YOU FOR TAKING THE TIME TO APPLY TO OUR SCHOOL.

LET US TRY TO GUESS WHO YOU ARE:

You are a young woman or man who wants to unfold who you truly are. You want to learn. You want to develop your skills, and your potential. You are curious and seek new challenges and experiences. Maybe you have studied at a university, travelled around the world, started your own business or worked in different fields?

Now you are considering spending three years of your life at a school located in Switzerland – together with other highly motivated people, who want to make a difference through transformation with collaboration and personal development.

THE FIRST STEP

Fill out the application. We are looking for your potential – and through answering the questions on the following pages this will hopefully show. Before answering we want to give you a few, but important advices. Be yourself! Do not waste your time trying to be what you think we want you to be. This is step no. 1.

THE SECOND STEP

The application process to all Kaospilot schools involves a workshop for a selected number of candidates and for our school in Switzerland the assessment workshop in Bern will take place on **Wednesday and Thursday April 25 & 26th, 2018** (both full days), so you need to arrive the day before and may want to leave on the Friday again. During the workshop you will learn more about the school, and about yourself. After the workshop, you might be admitted to the three-year program. You will be further informed during the workshop.

This application is your chance to be invited to the workshop. You will be informed about your participation in the assessment workshop latest by **Friday, March 30th, 2018**. The cost of attending the workshop is 250.- Swiss Francs. This fee covers food and materials during the 2 days.
